### **HB 2562 - SB 2618**

January 23, 2008

**SUMMARY OF BILL:** Prohibits fees from being charged for security services to non-governmental organizations requesting the use of the Capitol grounds for ceremonies when such requests indicate that no additional security services above those security guards generally on duty to protect the Capitol and Capitol grounds are necessary.

- According to General Services, the department incurs expenses via journal entries from the Department of Safety for providing security services to the Capitol for such ceremonies.
- General Services currently passes these expenses on to the entity requesting the use of the Capitol grounds.
- Under this bill, the Department of General Services would no longer be able to collect the revenue currently received to offset these expenditures.
- According to General Services, the revenues the department received in FY06-07 were \$912.75.
- The decrease of state revenue is estimated to be \$1,000 per year.
